

REMARKS

Applicant wishes to thank the Examiner for indicating that claims 1-6 are allowed.

Drawings stand rejected as they fail to include the reference signs not mentioned in the description. In response, applicant submits herein a set of drawings that comply with the Examiner's objections. Further, applicant has amended the specification to remove informalities and to correspond with the drawings. In particular, specification has been amended to overcome the Examiner's objection in page 3, line 5. This included deleting the term "dummy" and replacing it with "shadow". No new matter has been added.

Accordingly, Applicants respectfully submit that all grounds of objections in the drawing and specification have been overcome, and a Notice of Allowance is respectfully requested.

If any issues remain which may best be resolved through a telephone communication, the Examiner is requested to kindly contact the undersigned at the telephone number listed below. If there are any fees due and owing, please charge Deposit Account No. 502-470.

Respectfully submitted,

CHA & REITER
